- Showcases the sophisticated and cutting-edge work of bicoastal designer Tim Campbell, including his restoration of Richard Neutra's Singleton House
- With an introduction from Thom Browne, the renowned American fashion designer

Intentional Beauty is the first major book to survey the twenty-five year career of bicoastal designer Tim Campbell, whose sophisticated and cutting-edge work features residential projects in both Los Angeles and New York, as well as the renovation and restoration of several well-known homes in Los Angeles, including Richard Neutra's Singleton House. The book also illustrates his work as a philanthropist in Africa. Campbell's notable restorations exemplify his ability to preserve and honor the architecture of a historic home while seamlessly updating it with modern additions to accommodate a more contemporary lifestyle. His boutique design firm, Studio Tim Campbell, has offices in both Los Angeles and New York and specializes in both high-end custom residential design renovations, new construction. and specialty commercial projects.
