- Practical handbook to home decor in various styles, from minimal and artistic to vintage and rural
- Illustrates the origin, visual qualities, and techniques of each style, and analyzes the trends, products, and projects shown

Following the philosophy that every interior should be both personified and people-oriented, *Style Guide to Home Decor & Furnishing* provides readers with a feast for the eyes. It is as if you are wandering through living scenes of varying styles, from minimal, oriental, and artistic to vintage and rural. Original concepts, industrial trends and life aesthetics are all shared within these sumptuously illustrated pages, making this book both a visual experience and a highly inspirational guide for anyone with an interest in home decorating.
